

List of Figures

1. Demographic Development

Figure 1.1 Population, Household and Employment Control Totals-----	1-2
Figure 1.2 2035 Households by Traffic Serial Zone -----	1-5
Figure 1.3 2035 Household Density by Traffic Serial Zone-----	1-6
Figure 1.4 2035 Total Employment by Traffic Serial Zone-----	1-8
Figure 1.5 2035 Total Employment Density by Traffic Serial Zone -----	1-8

2. Scenario Planning

Figure 2.1 Current Trend Development Scenario-----	2-4
Figure 2.2 Transit Oriented Development Scenario -----	2-5
Figure 2.3 Infill Development Scenario -----	2-6
Figure 2.4 Samples of Participant Criteria Ranking Charts-----	2-10
Figure 2.5 Scenario Resolution-----	2-14

3. Public Involvement Process

Figure 3.1 September 2007 Visioning Workshop Meeting Locations and Addresses of Attendees -----	3-4
Figure 3.2 February-March 2009 Growth Scenario Meeting Locations and Residential Addresses of Attendees-----	3-10
Figure 3.3 Growth Scenario Workshop: Breakout Groups-----	3-12
Figure 3.4 Growth Scenario Workshop: Scenario Analysis-----	3-12
Figure 3.5 October 2009 Open House Location and Residential Addresses of Attendees-----	3-13
Figure 3.6 Providing Comments at the October 1, 2009 Open House Event -----	3-14
Figure 3.7 Reviewing Materials at the October 1, 2009 Open House Event -----	3-14

4. Bicycle System

Figure 4.1 Bicycle Facilities 2000, 2004 and 2009-----	4-1
Figure 4.2 Walk & Roll Fest and Rally 2009-----	4-4
Figure 4.3 Walkable Community Workshop-----	4-4
Figure 4.4 Salado Creek Multi-use Path-----	4-7
Figure 4.5 Unfunded Bicycle Projects -----	4-8

5. Pedestrian System

Figure 5.1 Complete Streets Resolution adopted by the Transportation Policy Board -----	5-2
Figure 5.2 Walk & Roll Fest 2009, River North -----	5-4
Figure 5.3 Unfunded Sidewalk Projects -----	5-7

6. Public Transportation Services

Figure 6.1 VIA Metropolitan Transit Service Area-----	6-4
Figure 6.2 Bexar County Disabled Population -----	6-6
Figure 6.3 VIA Metropolitan Transit Service Fixed Route Service August 2009 -----	6-10

7. Roadway Needs

Figure 7.1 Functionally Classified System Map -----	7-4
Figure 7.2 Example of the Functionality of the Roadway System-----	7-4
Figure 7.3 City of San Antonio Major Thoroughfare Plan Map -----	7-6
Figure 7.4 Added Capacity Roadway Projects that will be Operational By Year 2015-----	7-11
Figure 7.5 Added Capacity Roadway Projects that will be Operational By Year 2025-----	7-12
Figure 7.6 Added Capacity Roadway Projects that will be Operational By Year 2035-----	7-13
Figure 7.7 MPO Region's Environmental Justice Communities and Year 2035 Tolled/Managed Lanes -----	7-14

8. Freight Movement

Figure 8.1 Freight Infrastructure within the MPO Study Area -----	8-2
Figure 8.2 National Truck Flow Network Within the San Antonio Region -----	8-3
Figure 8.3 San Antonio Area Rail Densities in Millions of Gross Tons-----	8-6
Figure 8.4 Rail Origin and Termination States-----	8-6
Figure 8.5 Truck Originations and Terminations by Country -----	8-9
Figure 8.6 Freight Trends -----	8-11

9. Environmental Concerns

Figure 9.1	Sample GIS-ST Map: % Agricultural Land -----	9-3
Figure 9.2	Sample GIS-STT Map: % Wildlife Habitat -----	9-4
Figure 9.3	Ozone Formation -----	9-10
Figure 9.4	San Antonio Eight-Hour Design Value Trends by Site-----	9-12
Figure 9.5	2005 Bexar County Man-made VOC Emissions -----	9-13
Figure 9.6	2005 Bexar County NOx Emissions-----	9-14
Figure 9.7	Transportation Conformity Process -----	9-17
Figure 9.8	The Greenhouse Effect-----	9-18
Figure 9.9	Major Areas of the Edwards Aquifer -----	9-22
Figure 9.10	Edwards Aquifer System -----	9-23
Figure 9.11	Water Pumped By Year -----	9-24

10. Congestion Management Process

Figure 10.1	Annual Hours of Delay per Traveler-----	10-4
Figure 10.2	Travel Time Index-----	10-4
Figure 10.3	Year 2005 Congested Facilities -----	10-14
Figure 10.5	Year 2015 Congested Facilities -----	10-15
Figure 10.6	Year 2025 Congested Facilities -----	10-16
Figure 10.7	Year 2035 Congested Facilities -----	10-17
