

**Mobility 2035-DRAFT**  
**San Antonio – Bexar County**  
**Metropolitan Transportation Plan**  
**Table of Contents**

---

**Executive Summary** ----- ES-1

    Background ----- ES-1

    SAFETEA-LU Planning Factors ----- ES-2

    Metropolitan Transportation Plan Mission Statement ----- ES-3

    Metropolitan Transportation Plan Goals ----- ES-3

    Components of the Plan ----- ES-4

    Financial Constraint ----- ES-11

**Introduction** ----- I-1

    Legislative Background for the Plan ----- I-1

    Metropolitan Transportation Plan Mission Statement ----- I-4

    Metropolitan Transportation Plan Goals ----- I-4

    How Is the Plan Developed ----- I-6

    Consistency with Other Local Plans and Programs ----- I-7

**1. Demographic Development**

    Accomplishments Over the Past Five Years ----- 1-1

    Background ----- 1-1

    METROPILUS ----- 1-3

    Population and Households: 2005 – 2035 ----- 1-4

    Income: 2005 – 2035 ----- 1-6

    Employment: 2005 – 2035 ----- 1-6

**2. Scenario Planning**

    Accomplishments Over the Past Five Years ----- 2-1

    Background ----- 2-1

    Transportation Land Use and Scenario Workshop ----- 2-2

    Scenario Development ----- 2-2

    Visioning Workshops ----- 2-7

    Environmental Impacts of the Growth Scenarios ----- 2-7

    Growth Scenario Workshops ----- 2-8

    Growth Scenario Adoption ----- 2-12

### 3. Public Involvement Process

Accomplishments Over the Past Five Years-----	3-1
Background -----	3-1
Environmental Justice -----	3.2
Mobility 2035 Kickoff Press Conference -----	3-3

Phase II: Regional Transportation Attitude Survey II -----	3-8
Phase III: Growth Scenario Workshops-----	3-9
Phase IV: Open House-----	3-13
Conclusions-----	3-19

### 4. Bicycle System

Accomplishments Over the Past Five Years-----	4-1
Background -----	4-3
MPO Programs-----	4-3
Vision, Goals and Objectives -----	4-5
Future Bicycle Facility System -----	4-8

### 5. Pedestrian System

Accomplishments Over the Past Five Years-----	5-1
Background -----	5-3
MPO Programs-----	5-3
Pedestrian Facility Goals for the Region-----	5-5
Future Pedestrian System-----	5-6

### 6. Public Transportation Services

Accomplishments Over the Past Five Years .....	6-1
Existing Public Transportation Providers .....	6-2
The Importance of Public Transportation .....	6-5
Goals .....	6-7
VIA Public Transportation Services.....	6-8
Facilities and Fleet.....	6-9
Public Transportation Needs and Issues .....	6-9
Transit Financial Forecast.....	6-12
Financially Constrained Transit System.....	6-13
Conclusion .....	6-14

**7. Roadway Needs**

Accomplishments Over the Past Five Years----- 7-1  
Roadway System Policies----- 7-1  
Roadway Functional Classification----- 7-2  
Major Thoroughfare System ----- 7-5  
Base Year and Future Roadway Systems ----- 7-5  
Toll and Managed Lanes: Environmental Justice Analysis----- 7-13  
Conclusions ----- 7-17

**8. Freight Movement**

Accomplishments Over the Past Five Years----- 8-1  
Background ----- 8-1  
Local Freight Conditions ----- 8-2  
Secondary Traffic in the San Antonio Region ----- 8-4  
Rail Freight Data----- 8-5  
Domestic Air Freight ----- 8-9  
The National Freight Picture----- 8-10

**9. Environmental Concerns**

Accomplishments Over the Past Five Years----- 9-1  
Background ----- 9-2  
Linking Planning and NEPA----- 9-2  
Air Quality Issues ----- 9-9  
Green House Gases ----- 9-18  
Edwards Aquifer ----- 9-22

**10. Congestion Management Process**

Accomplishments Over the Past Five Years----- 10-1  
Background ----- 10-1  
Congestion Management and Air Quality ----- 10-4  
Goals and Objectives----- 10-5  
Local Definition of Congestion----- 10-6  
Congestion Mitigation Strategies ----- 10-7  
CMP Development Process ----- 10-13

## 11. Financial Information

Accomplishments Over the Past Five Years-----	11-1
Background -----	11-1
TRENDS Model -----	11-2
Additional Financing -----	11-2
Goals and Objectives-----	11-3
Selected Funding Sources -----	11-3
Transportation Partners-----	11-7
Gap Funding-----	11-9
Project Lists-----	11-10

## 12. Technical Appendix
